

## COSÌ FAN TUTTE

by Wolfgang Amadeus Mozart.

LOVE. TRICKERY. REDEMPTION.

The future of two couples is turned upside down when a playful old philosopher places a wager on their fidelity. This zany opera will leave you laughing as you wonder what happens after the final curtain falls.

Sung in Italian with English Titles, 7:30pm, DeVos Hall,  
10/23/09 & 10/24/09

## OPERA CENTER GALA

Watch for an exciting announcement of a gala evening to celebrate the Betty Van Andel Opera Center.

## PAGLIACCI

by Ruggero Leoncavallo.

JEALOUSY. BETRAYAL. RAGE.

The clown ceases to act, giving in to the power of raw emotion, as the crowd cheers until the murderous end. Humanity fuels insanity in this tale of "the mad clown," making it nothing less than pure, irresistible drama.

Sung in Italian with English Titles. 7:30pm, DeVos Hall,  
2/12/10 & 2/13/10

## PORGY & BESS

by George Gershwin

TRAGIC. REAL. UNFORGETTABLE

Storms rage on an island off the coast of Charleston as the pure-hearted Porgy fights to save his love from the clutches of a drug-dealing pimp. Gershwin's poignant, jazz-infused opera will capture your heart and leave you humming, "Summertime."

Sung in English with English Titles, 7:30pm, DeVos Hall,  
4/30/10 & 5/1/10

## SUBSCRIBE TODAY FOR THESE EXCLUSIVE BENEFITS

### SAVE 10%

Purchase all three operas to save 10% over single ticket prices.

### HASSLE-FREE EXCHANGES

Sometimes schedule changes can't be avoided. Only subscribers can exchange tickets for another evening.

**Great Opera Needs Grand Patrons**

Thank you for becoming a subscriber to Opera Grand Rapids! If you have not done so already, please consider making a tax deductible donation to help ensure Michigan's longest running professional opera company stays strong! More than 70 cents of every dollar raised goes directly into our productions, and ticket prices cover only one third of the cost of producing a show. Contributions from people like you are critical to the Company's success!

As a contributor, please, print your name as you would like it to appear in the program:
